DATABASE FOR CLASS PROJECTS

We will be using the TAL DISTRIBUTOR database for our class projects in this course. To start with just know that TAL Distributors is a distributor of wooden toys, games, and puzzles is a fictitious company that will be used throughout the text. The company must maintain sales rep, customer, order, and inventory data.

Please download the **TAL DISTRIBUTOR script (https://stchas.instructure.com/courses/39412/files/8208300/download?wrap=1)** **(https://stchas.instructure.com/courses/39412/files/8208300/download?download_frd=1)** . In order to run and install the database, please follow the **directions to Install the tables. (https://stchas.instructure.com/courses/39412/pages/directions-to-install-the-tables)** You must have this database installed ASAP. After you have the TAL database installed, please get yourself familiar by running the following statements individually:-

Select * from Rep

Select * from Customer

Select * from Orders

Select * from Item

Select * from Order_Line

DATABASE FOR TESTS / FINAL EXAM

We will use THE SOLMARIS CONDOMINIUM GROUP DATABASE for tests and final exam in this course. You may also have occasional questions from the TAL DISTRIBUTOR DATABASE in your tests and final exam.

Please download the **SOLMARIS DATABASE script (https://stchas.instructure.com/courses**

[/39412/files/8208301/download?wrap=1)](https://stchas.instructure.com/courses/39412/files/8208301/download?download_frd=1) and install the database.

DATABASE USED BY THE BOOK

The textbook uses the Kim Tay pet Supplies and Staywell Student Accomodation Databases.

If you want, you can download and install the databases to run the examples given in the book. Below are the links:

[Kim Tay pet Supplies Database (https://stchas.instructure.com/courses/39412/files/8208439?wrap=1)](https://stchas.instructure.com/courses/39412/files/8208439/download?download_frd=1)

[Stay well Student Accommodation database (https://stchas.instructure.com/courses/39412/files/8208440?wrap=1)](https://stchas.instructure.com/courses/39412/files/8208440/download?download_frd=1)

When installing the Kim Tay or Stay well databases, install then in CPT 181_10 database folder and not in CPT 181 database folder else Tal distributor database table may overlap with Kim Tay tables.
